Purpose of this FSG

This Financial Services Guide (FSG) will help you decide whether to use the services that we offer. It contains information about:

- The services we offer and their cost
- Any conflicts of interest which may impact the services
- How we are remunerated
- How we deal with complaints if you are not satisfied with our services.

Not Independent

As Brela Group Pty Ltd receives commissions from life risk insurance products held by our clients, we are not able to refer to our advice as “independent”, “impartial” or “unbiased”.

Our services

We are authorised to provide personal advice and dealing services in the following areas:

- Superannuation and SMSF
- Retirement planning
- Portfolio Management
- Personal risk insurance
- Managed investments
- Securities
- Margin lending facilities

The financial advice process

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will typically be documented in a Record of Advice which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Tax implications of our advice

Brela Group's authorised representatives are registered with ASIC as qualified tax relevant

providers and authorised to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Fees

All fees and commissions are payable to Brela Group Pty Ltd and then remitted in full to Curo Financial Services.

Initial and Ongoing Advice Fees

Curo Financial Services may charge an upfront fee for financial advice.

The Initial Advice fee, if applicable, is based on the scope and complexity of advice provided to you. We will agree the fee with you before providing you with advice

Hourly rate

Commissions

We receive commissions from insurance product providers. The commission will vary depending on the recommended product and will be documented in the SoA or RoA.

Insurance Commissions

Curo Financial Services receives a one-off upfront commission of up to 66% when you take out an insurance policy we recommend.

We also receive a monthly commission payment of up to 22% for as long as you continue to hold the policy.

Example – on any insurance policies implemented, if your premium was \$1,000, we would receive an initial commission of up to \$660 and an ongoing commission of up to \$220 per annum. On older policies we may receive a commission of up to 33%.

Note: We may receive commissions on increases or additions to existing policies put in place before 2018 of up to 130%, and between 88% to 66% for policies written after that time.

Claims Service

The fees range for lump sum claims from 7.5% on the first \$100,000 and up to 5% of remaining amount with an undefined cap. The final fee charged will be dependent on the amount of work involved. For example, on a successful lump sum claim of \$500,000 we may charge you 7.5% on the first \$100,000 and 5% on the next \$400,000, equaling a fee of \$27,500 including GST.

For Income Protection claims we charge an hourly rate between \$330 and \$660 (GST inclusive) for the claims services.

Other Benefits

We may also receive other benefits from product providers such as training, meals and entertainment. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Referral Fees and Commissions

In some situations, we pay fees or commissions to external parties who have referred you to us. Where we have in place a referral arrangement with a third party we may pay a referral fee between 20% and 30% of your insurance commissions. For example, if we recommend you take up insurance with a commission of \$1,000 we may pay \$200 to \$300 to the referring party. We will disclose the referral arrangements to you when we provide you with an SoA.

You may be referred to an external specialist to receive further advice. We do not receive any referral fees or commission for introducing you to the specialist. You are free to engage your own preferred professionals.
